Notice of City Council Meeting

**It is hereby noticed that there is an emergency meeting of the city council to be held at:
8PM, Thursday, May 8, 2014.**

This is an emergency meeting convened with less than 24 hours notice. The reason for this meeting is that a piece of business was overlooked at the regularly scheduled meeting of May 7, 2014. The item of business is to grant the city recorder authority to sign the SEARCH GRANT APPLICATION, for funding engineering work on Antelope's water system upgrades, on behalf of the City of Antelope. Said application is to be signed the morning of May 9, 2014 at the USDA office in Redmond, Oregon. The city recorder needs the council's written authorization at that time. The signing of the application is time critical to allow application processing to occur before the expiration of funding deadlines. This notice, once completed will comprise the minutes of the meeting.

This meeting is called in conformance with O.R.S. 192.640(3).
